

1. In the news they are talking about something called "Download". What is it? What's the result of the first Download?

It is an event that means that the uploaded persons can return to live with the download.

2. Nathan has three different funerals? What funeral is Nora attending to? Who are the women she meets there?

He had a funeral but as if there were 3, since there was the main one, where Nathan was and where Nora was, which is in New York, this is like a chapel with a television, and here he meets 3 ex of Nathan's.

3. The Lakeview bellboy tries to enter the chapel where the funeral is taking place. Why do you think he can't enter?

Because he is an IA.

4. Fran is investigating Nathan's death. What has she found until now?

His car was manipulated because he doesn't remember what happened and thinks he is fine.

5. Nathan is very upset about how Ingrid has decided everything about his funeral. How does Ingrid threaten Nathan?

That she will eliminate it.

6. Ingrid tells Nathan that she did not mean what she said in their argument. Do you believe her? Why?

I don't believe her, as she seems very convinced that she is going to do it.

7. What's Beyond?

The programme that Nathan was working on.
